**Sakuro Co., Ltd.**

Tree of peace -Mebuki-

\$104

In Hiroshima, there are trees that, despite being exposed to the atomic bomb, have taken root in the ground and continue to thrive. These trees are still carefully tended, watched over and nurtured. One of the ways they do this is by pruning. They do not throw away the precious trees that have been cut down, but regenerate them, making them a reminder of peace, love and the power of life.

## TOY & CHARACTER GOODS

EAST2-T14-12

### AGURU

RabiBerry

Let's discuss it

We are looking for character licensees. Rabbittery is a cross between a rabbit and a strawberry. He lives happily every day with his strawberry friends. Since being serialized in a Japanese magazine in 1998, the character has been active in a variety of media, including being chosen as a yogurt character and appearing in manga and picture books.

### Biken Textile Co., Ltd. ASOBI-GOKORO

Furoshiki bag

US\$ 28.50

We dye and process apparel fabrics in Kyoto. Our new business is manufacturing and selling Japanese goods such as furoshiki. Instead of the traditional auto-screen dyeing, we use ink-jet dyeing, which has less impact on the environment during the dyeing process. This method uses 95% less water than traditional dyeing methods. There is no effluent, which can pollute rivers.
