ALIEIA~The Ultimate fishing rod designed for women~/Restaffine

ALIEIA

To be discussed

Our company manufactures and sells fishing rods. We deal in casting rods made of full-length boron combined and mixed with nano carbon. Not only rods for fishing, but also shafts for golf equipment, etc., are made of carbon, so they have a wide range of applications. We would like to develop these products and technologies as an OEM business.

Strap with a shogi piece "Left Horse"

\$10

Strap with a shogi piece "Left Horse", a unique design born in Tendo. The Japanese character for horse, "uma", is a promoted piece in the game of shogi. Read backwards as "mau" means dance in festive occasions. Left Horse is strong in the face of odds and brings in good fortune. It's also said to invite good luck in business since a horse is normally pulled by people but Left Horse pulls in people.
